Students will be reviewed for admission to the semester following the deadline date. Reviews will occur three times per year according to the following deadline dates:

Summer Acceptance – February 15<sup>th</sup>    Fall Acceptance – July 1<sup>st</sup>    Spring Acceptance – September 15<sup>th</sup>

Late applications will not be accepted and students must resubmit to the next acceptance date.

6. Applications must be complete and accurate prior to being turned into the HLKN Advising Office. Incomplete and handwritten applications will be returned unprocessed.
7. Complete 70% of portfolio.

1. A faculty committee will review all applications immediately after each deadline date. Applicants will be notified through the TAMU email system approximately three weeks after review.
2. In the event of ties, KINE 213 grade and number of Q drops recorded will serve as tiebreakers.

Entrance to professional phase is a **COMPETITIVE** process. Students must have the required 2.50 GPRs prior to applying to professional phase. 10-20 students will be admitted each year.

**II. PROGRESS TOWARDS DEGREE**

Students must show progress towards their degree by completing a combined total of 24 credit hours on their degree plan during the fall and spring semesters. At the end of the spring semester, students who did not complete 24 credit hours on their degree plan will be placed on probation. They must complete at least 12 hours on their degree plan plus make up any additional hours not completed the year before during the next fall semester. Failure to do so will result in dismissal from the department.

### III. PERFORMANCE REQUIREMENT

A. Students need to have mastered the technical requirements of the program therefore, students must complete required technique courses with a grade of “B” or better:

DCED 160 – Ballet I	DCED 161 – Ballet II	DCED 162 – Ballet III	DCED 171 – Mod Dance I	DCED 172 – Mod Dance II
DCED 173 – Mod Dance III	KINE 260 – Mov’t Lab - BI	KINE 361 – Mov’t Lab - BII	KINE 462 – Mov’t Lab - BIII	KINE 271 – Mov’t Lab MDI

B. Each student is required to perform in a minimum of two student works before admittance into the professional phase of the program. This requirement can be fulfilled through student choreography showcase or through the dance composition I, II or III courses. This process will not only will help students fulfill the performance requirement but will also introduce those students to the choreographic process and give them insight into what will be expected of them when they are students enrolled in those classes. We also hope this will help bridge the gap between freshman, sophomore, junior and senior level students. **These requirements will completed by meeting the production hours in your Techniques Courses.**
