

This degree plan packet is meant to be a resource for current students at Texas A&M University.

If you are a prospective freshman or transfer student and would like to see if the courses listed in this packet coincide with courses you have taken or are looking to take outside of Texas A&M, please utilize one of the following resources:

**Texas A&M University**  
**College of Education and Human Performance**  
**Department of Health and Kinesiology**  
**BS Kinesiology and MS in Athletic Training**  
**3+2 Dual Degree Program**

The dual degree program (3+2) allows undergraduate Kinesiology students to enter the Master of Science in Athletic Training program the beginning of their fourth year at Texas A&M University and earn a Bachelor of Science in Kinesiology and a Master of Science in Athletic Training (MSAT) degree in five years.

Students must first be admitted into the Kinesiology major in the Department of Health and Kinesiology. Students will declare interest in the five year (3+2) program during freshmen orientation at the New Student Conference and will be assigned an undergraduate advisor for this concentration. Students will follow departmental requirements for admission into the professional phase of the BS in Kinesiology. Kinesiology majors who have at least a 3.25 GPA and who will have completed all of their prescribed courses by the spring of their junior year will be eligible to apply for the five-year program.

Applicants to the five-year program will submit the same materials (including GRE scores) as other MSAT applicants by the spring deadline of their junior year, and those who meet all minimum requirements, including having earned a B or better in ATTR 201, ATTR 202, ATTR 301, ATTR 302, will receive placement in the MSAT program. The admissions criteria for the five-year program will be the same as for other MSAT students.

Students continuing into the 4<sup>th</sup> year of the 3+2 program must finish the entire 156 hours to obtain both the Bachelor's and Master's degrees. Students will be conferred with two degrees once they complete the 5<sup>th</sup> year of the concurrent program.

Students in the 3+2 program will be required to complete the same two-year, 60 hour curriculum as other students admitted to the MSAT program. Students will take 96 hours of undergraduate courses, and 60 hours of graduate course work, of which 24 hours will be applied to the undergraduate degree. Students are required to maintain a 3.25 GPA through the first 24 hours of graduate course work at which time the student must maintain a 3.0 GPA. Students continuing in the 3+2 program will change from U4 to G7 status when they complete 96 hours.

Students not accepted or unable to continue with the 3+2 program may complete the remaining requirements for the BS degree in Kinesiology in a concentration that is most suitable to their needs (e.g., Motor Behavior, Applied Exercise Physiology). These students may apply to the traditional (4+2) graduate degree program.

This degree plan has been laid out showing students the number of hours they must take each semester in order to complete the dual degree program. The undergraduate portion of the plan is a suggested plan and should be followed closely. There may be some modifications in course order that can occur but students should consult with the departmental academic advisor for the dual degree program before changes are made in order to ensure they are meeting all dual degree requirements.

**I. REQUIREMENTS FOR ADMISSION TO THE PROFESSIONAL PHASE OF THE PROGRAM**

The Professional Phase pre-requisites indicate “preparedness” for upper level coursework.

1. Complete a minimum of **45 credit hours** of degree plan coursework, 30 of which must be University Core Curriculum requirements with a minimum of 15 hours completed at Texas A&M.
2. Complete ENGL 104 and ENGL/COMM requirement with a minimum “B/C” grade combination.
3. Complete the following courses with a grade of “C” or better:

KINE 121#, 213	BIOL 111	PHYS 201
MATH 131, 141	CHEM 101/111	BIOL 319#, 320#

#These courses must be taken at Texas A&M University.

\*You may be enrolled in these courses during the semester in which you apply.

4. Minimum GPR requirement: 2.5 overall at A&M
5. Transfer all applicable courses to A&M’s Records Office.
6. Submit application form and professional resume by deadline during the semester all above criteria will be met (during the semester you are enrolled in your last BOLD classes). Submit application form by **September 15<sup>th</sup> for Spring Acceptance**. Forms are available on the website (<https://mycehd.tamu.edu/academic-services/undergraduate-advising/upper-level-professional-phase-admissions>).

**No handwritten or late applications will be accepted.**

**NOTE:** Approximately 3 weeks after the deadline you will be able to check [howdy.tamu.edu](http://howdy.tamu.edu) to see that your status has been changed from BS Kinesiology (Lower) to BS KINE-ETR. This will allow you to register for professional phase courses. You will receive official notification of your acceptance or denial into the professional phase of the program approximately two weeks after TAMU grades are posted for the semester.

**II. REQUIREMENTS FOR ADMISSION TO THE GRADUATE PHASE OF THE PROGRAM**

1. Submit application form to the MSAT program by February 1<sup>st</sup> of your junior year
  - a. Students must follow the same MSAT application procedures as traditional applicants
2. Minimum undergraduate G.P.A. of 3.25 for undergraduate and graduate coursework counting on the undergraduate degree plan
3. Applicants must have received a “B” or better in the following courses:
  - a. ATTR 201, ATTR 202, ATTR 301 and ATTR 302
4. Students not accepted into the graduate phase of the BS-KINE/MS-ATTR program will complete the remaining requirements for the BS degree in Kinesiology in a concentration that is most suitable to their needs (e.g., Motor Behavior or Applied Exercise Physiology) so long as they are meeting kinesiology degree requirements. These students may apply to the traditional MS-ATTR graduate degree program.

**III. PROGRESS TOWARDS DEGREE-** Students must show progress towards their degree by completing a combined total of 24 credit hours on their degree plan during the fall and spring semesters. At the end of the spring semester, students who did not complete 24 credit hours on their degree plan will be placed on probation. They must complete at least 12 hours on their degree plan plus make up any additional hours not completed the year before during the next fall semester. Failure to do so will result in dismissal from the department.

**IV. Undergraduate Degree Planner Requirement-** All students entering Texas A&M University in fall 2013 or later are required by TEC§51.9685 (formerly House Bill 3025) to complete an online undergraduate degree plan. Students are required to complete the Undergraduate Degree Planner before the start date of their second year. The Undergraduate Degree Planner is in Howdy on the My Record tab in the Undergraduate Degree Planner channel. Guides for using the Undergraduate Degree Planner are also available in Howdy.

## V. REQUIREMENTS FOR GRADUATION

1. Minimum GPR requirement: 3.25 overall at A&M
2. A grade of “C” or better must be made in each of the following: ENGL/COMM, Math and Science Foundation, Professional Development courses. This applies to those courses taken at A&M and those courses taken elsewhere and transferred to A&M.
3. A grade of “B” or better must be made in each of the following: ATTR 201, ATTR 202, ATTR 301 and ATTR 302
4. Complete all degree plan HLTH and KINE courses with a “C” or better in each. This applies to those courses taken at A&M and those courses taken elsewhere and transferred to A&M.
5. Students continuing into the 4<sup>th</sup> year of the BS-KINE/MS-ATTR program must finish the entire 156 hours to obtain both the Bachelor’s and Master’s degrees. These students will be conferred with two degrees once they complete the 5<sup>th</sup> year of the concurrent program.
  - a. Students will take 96 hours of undergraduate courses, and 60 hours of graduate course work, of which 24 hours will be applied to the undergraduate degree

7. Add/Pay Diploma Fee the semester you are graduating.
8. Apply for graduation the semester you are graduating.
9. Graduation: both Bachelor’s and Master’s degrees conferred upon completion of Year 5

## VI. KINE 199 REQUIREMENT FOR ETR

All ETR students must choose from the below list of KINE 199’s to fulfill their graduation requirements.

<b>Aerobic Requirement</b>	<b>Strength Training Requirement</b>
Aerobic Running Beginning	Strength Training
Aerobic Running Intermediate	Yoga
Aerobic Walking	Pilates
Cardio Kickboxing	Resist Flex
Step	
Mountain Biking	
Cardio Fitness Swimming	
Majors Fitness	
Indoor Cycling	
Trail Running	
Aerobic Movement	

Here are the rules that apply to your KINE 199’s

1. **You must take at least one KINE 199 from each column.**
2. **You must take these courses for a grade. They cannot be taken Pass/Fail.**
3. **You must take these courses at Texas A&M. These courses cannot be transferred in.**

To further clarify you must pick a course from each column.
