GENERAL RULES

Sport Management – Internship Option

Catalog 136

I. REQUIREMENTS FOR APPLYING TO THE PROFESSIONAL PHASE OF THE PROGRAM

The Professional Phase indicates “preparedness” for upper level coursework

1. Complete a minimum of 45 hours of degree plan coursework; 30 of which must be University Core Curriculum, with a minimum of 15 hours at A&M.
2. Complete the following with a grade of **“C”** or better:
COMM 203 ENGL 103/104 ECON 202/203 SPMT 217
3. GPR requirements: 2.25 overall **A&M** GPR. If you are accepted and your GPR drops below 2.25 by the end of the semester in which you are accepted, you will be blocked from professional phase course work. Students will be required to raise their GPR and reapply for admission.
4. Submit Professional Phase application by the required deadline. Applications must be complete, accurate and cannot be handwritten to be considered and must be signed by the applicant. Complete application packet to include: Application, Essay, Required Coursework Worksheet, (Part A&B), Degree Plan Worksheet and Resume. Submit 2 copies of the above documents. The deadlines fall typically around the dates below.

Summer Acceptance–
February 15

Fall Acceptance–
July 1

Spring Acceptance –
September 15

Enrollment Management: Entrance to Professional Phase is a **COMPETITIVE** process. A faculty committee will review all applications. All applicants will be rank ordered from highest to lowest based on the criteria outlined below. The total number of applicants to be accepted will be determined by the Department based on the number of "seats available" in the program for both the Internship and Non-Internship Options. Applicants will be accepted on a "best qualified" basis subject to "seats available." **Meeting minimum qualifications is no guarantee for admission.**

Determination of Professional Phase admission will be made approximately 30 days after the application deadline in the semester in which you applied. Notification of acceptance OR denial to the Professional Phase of the Sport Management program will be made by email to the applicant’s neo.tamu.edu e-mail address.

The committee will consider the following criteria when reviewing students:

- **Overall GPR**
- **Pre-Requisite GPR (4 bold courses)**
- **Resume**
- **Essay**

Applicants who frequently drop or withdraw from courses will be at a disadvantage in the review for admission. Students may apply for Professional Phase admission no more than two times. Students failing to gain approval to enter the Professional Phase for the second time may not reapply for admission to the Sport Management program and must change their major.

Professional Phase application can be found at <http://mycehd.tamu.edu/students/undergraduate-forms/#hlkn>

II. PROGRESS TOWARDS DEGREE

Students must show progress towards their degree by completing a combined total of 24 credit hours on their degree plan during the fall and spring semesters. At the end of the spring semester, students who did not complete 24 credit hours on their degree plan will be placed on probation. They must complete at least 12 hours on their degree plan plus make up any additional hours not completed the year before during the next fall semester. Failure to do so will result in dismissal from the department.

III. REQUIREMENTS FOR INTERNSHIP

1. Minimum GPR requirement: **2.00** overall at Texas A&M.
2. Submit Intent to Graduate form by February 15th if you are planning to graduate in the Fall/Spring or September 15th if you are planning to graduate in the Summer. Forms are available on-line at <http://mycehd.tamu.edu/students/undergraduate-forms/#hlkn>.
3. Approval of Intent to Graduate form by Internship Coordinator.
