**Enrollment Management:** Entrance to Professional Phase is a **COMPETITIVE** process. A faculty committee will review all applications. All applicants will be rank ordered from highest to lowest based on the criteria outlined below. The total number of applicants to be accepted will be determined by the Department based on the number of "seats available" in the program for both the Internship and Non-Internship Options. Applicants will be accepted on a "best qualified" basis subject to "seats available." **Meeting minimum qualifications is no guarantee for admissions.**

Determination of admission to Professional Phase will be made approximately 30 days after the application deadline in the semester in which you applied. Notification of acceptance OR denial to the Professional Phase of the Sport Management program will be made by email to the applicant’s neo.tamu.edu e-mail address.

The committee will consider the following criteria when reviewing students:

- Overall Texas A&M GPR**
- Pre-Requisite GPR (4 bold courses)**
- Resume**
- Essay**

Applicants who frequently drop or withdraw from courses will be at a disadvantage in the review for admission. Students may apply for Professional Phase admission no more than **two** times. Students failing to gain approval to enter the Professional Phase for the second time may not reapply for admission to the Sport Management program and must change their major.

**II. PROGRESS TOWARDS DEGREE-** Students must show progress towards their degree by completing a combined total of 24 credit hours on their degree plan during the fall and spring semesters. At the end of the spring semester, students who did not complete 24 credit hours on their degree plan will be placed on probation. They must complete at least 12 hours on their degree plan plus make up any additional hours not completed the year before during the next fall semester. Failure to do so will result in dismissal from the department.

**III. REQUIREMENTS FOR MINORS/COGNATES**

1. Students must be admitted to both Minors/Cognates prior to admission in the Professional Phase.
2. Courses on the degree plan that are part of a Minor or Cognate can be used to satisfy both requirements except for SPMT 336 and SPMT 337.
3. It is the student's responsibility to note and meet all prerequisites for courses in their chosen Minor/Cognate.
4. Students who take courses in a Minor prior to declaring the Minor may result in loss of classes if they are not admitted to that Minor.
