*+Satisfies University Writing Requirement

Intent to Graduate Form:
DUE October 1st, March 1st, July 1st two semesters prior to graduation!!!
GENERAL RULES
Sport Management – Non-Internship Option
Catalog 137

I. REQUIREMENTS FOR APPLYING TO THE PROFESSIONAL PHASE OF THE PROGRAM

The Professional Phase pre-requisites indicate “preparedness” for upper level coursework
1. Complete a minimum of 45 hours of degree plan coursework; 30 of which must be University Core Curriculum; with a minimum of 15 hours at Texas A&M.

2. Complete the following with a grade of “C” or better:
   
   ENGL 104  ECON 202  SPMT 217  COMM 203

   *Note that students must ultimately complete ENGL 104 and the 2nd ENGL requirement with a minimum “B/C” grade combination to graduate.

3. GPR requirements: 2.0 overall A&M GPR. If you are accepted and your GPR drops below 2.0 by the end of the semester in which you are accepted, you will be blocked from professional phase coursework. Students will be required to raise their GPR and reapply for admission.

4. Declare your two Minor/Cognates with the appropriate person/advisor.

5. Submit Professional Phase application by the required deadline. Applications must be complete, accurate and cannot be handwritten to be considered and must be signed by the applicant. Complete application packet to include: Application, Essay, Required Coursework Worksheet, (Part A&B), Degree Plan Worksheet and Resume. Submit 2 copies of the above documents. The deadlines fall typically around the dates below.
   
   Summer Acceptance—March 1    Fall Acceptance—July 1    Spring Acceptance—October 1

6. If you are accepted to Professional Phase and your GPR drops below 2.00 by the end of the semester in which you are accepted, you will be blocked from professional phase course work. Students will be required to raise their GPR and reapply for admission.

Enrollment Management: Entrance to Professional Phase is a COMPETITIVE process. A faculty committee will review all applications. All applicants will be rank ordered from highest to lowest based on the criteria outlined below. The total number of applicants to be accepted will be determined by the Department based on the number of "seats available" in the program for both the Internship and Non-Internship Options. Applicants will be accepted on a "best qualified" basis subject to "seats available.” Meeting minimum qualifications is no guarantee for admissions.

Determination of admission to Professional Phase will be made approximately 30 days after the application deadline in the semester in which you applied. Notification of acceptance OR denial to the Professional Phase of the Sport Management program will be made by email to the applicant’s neo.tamu.edu e-mail address.

The committee will consider the following criteria when reviewing students:

Overall Texas A&M GPR
Pre-Requisite GPR (4 bold courses)
Resume
Essay

Applicants who frequently drop or withdraw from courses will be at a disadvantage in the review for admission. Students may apply for Professional Phase admission no more than two times. Students failing to gain approval to enter the Professional Phase for the second time may not reapply for admission to the Sport Management program and must change their major.
II. **PROGRESS TOWARDS DEGREE**- Students must show progress towards their degree by completing a combined total of 24 credit hours on their degree plan during the fall and spring semesters. At the end of the spring semester, students who did not complete 24 credit hours on their degree plan will be placed on probation. They must complete at least 12 hours on their degree plan plus make up any additional hours not completed the year before during the next fall semester. Failure to do so will result in dismissal from the department.

III. **REQUIREMENTS FOR MINORS/COGNATES**
1. Students must be admitted to both Minors/Cognates prior to admission in the Professional Phase.
2. Courses on the degree plan that are part of a Minor or Cognate can be used to satisfy both requirements except for SPMT 336 and SPMT 337.
3. It is the student’s responsibility to note and meet all prerequisites for courses in their chosen Minor/Cognate.
4. Students pursuing the Business Administration Minor cannot take KINE 240. They MUST take ISYS 209 in place of KINE 240.
5. Students who take courses in a Minor prior to declaring the Minor may result in loss of classes if they are not admitted to that Minor.

IV. **DEGREE PLANNER REQUIREMENT**
All students entering Texas A&M University in fall 2013 or later are required by TEC§51.9685 (formerly House Bill 3025) to complete an online undergraduate degree plan. Students are required to complete the Undergraduate Degree Planner before the start date of their second year. The Undergraduate Degree Planner is in Howdy on the My Record tab in the Undergraduate Degree Planner channel. Guides for using the Undergraduate Degree Planner are also available in Howdy.

V. **REQUIREMENTS FOR GRADUATION**
1. Successfully complete all degree plan courses with required grade in each.
2. Minimum GPR requirement: 2.0 overall at A&M
3. Submit Intent to Graduate form prior to the deadline (March 1st, July 1st and October 1st) two semesters before the semester you are graduating. Forms are available on-line at https://mycehd.tamu.edu/academic-services/undergraduate-advising/forms.
4. Add/Pay Diploma Fee the semester you are graduating.
