If you are interested in learning about the business of sport in Europe, and experiencing the best of both the old historical culture and new vibrancy of Germany and other parts of Europe, this program could be a perfect fit for you. Here is what some former students said about this program:

- *This program exceeded my expectations academically and culturally.*
- *It was the event of a lifetime. Awesome!!!*
- *We have done things on this trip that 99.9% of Americans never have the opportunity to do.*
- *Words cannot describe how great every single aspect of the program was.*
- *I learned more than I thought I would, and grew as a person immensely.*
- *This has FAR exceeded my expectations.*
- *Best experience of my life thus far!*

This is Dr. Paul Batista's 6th time to organize and lead this program. If you are interested in studying in Europe this summer and learning about financial aid opportunities:
